2. An individual unit member shall have the right to present grievances in accordance with procedures, free from coercion, interference, discrimination or reprisal.
3. The aggrieved shall have the right to be represented at any step of this grievance procedure by a duly authorized representative of the Fredonia Central School District CSEA unit.

4. Each party to a grievance shall have access at reasonable times to all written statements and records pertaining to such case.
5. All hearings shall be confidential.
6. It shall be the responsibility of the Superintendent of the District to take such steps as may be necessary to give force and effect to these procedures. Each supervisor or administrator shall have the responsibility to consider promptly each grievance presented to him and make a determination within the time specified in these procedures.
7. The function of these procedures is to assure equitable and proper treatment under the existing rules, regulations and policies which relate to or affect the unit member in the performance of his assignment. They are not designed to be used for changing such rules or establishing new ones.
8. The time limits set forth in the procedures herein shall be strictly adhered to by all parties unless waived by written mutual consent at the appropriate stage. Consent to an extension of time limits shall not be unreasonably withheld.

D. Procedures

1. Informal Stage

The aggrieved individual unit member shall orally present his grievance within twenty (20) days of the time the individual unit member knew or should have known of the alleged grievable incident to his immediate supervisor who shall informally discuss the grievance with the aggrieved individual unit member. The immediate supervisor shall render his determination to the aggrieved individual unit member within seven (7) days after the grievance has been presented to him. If such grievance is not satisfactorily resolved at this stage, the aggrieved individual unit member may proceed to the formal stage(s).

2. Formal Stage

- a. Within five (5) days after a determination has been made at the preceding stage of the grievance, the aggrieved party, with the Association, shall present a written statement of the grievance to the Superintendent for resolution.

- b. Upon receipt of the written statement of the grievance, the Superintendent shall notify all parties concerned of the time and place when a meeting will be held where such parties may appear and present oral and written statements supplementing their positions on the case. Such hearing shall be held within five (5) days of receipt of the formal grievance submitted pursuant to paragraph B.1 above.

- d. Both the Association and the District may waive the Board stage of the grievance procedure upon their mutual written agreement to do so.

4. Arbitration Stage

If there is no resolution and the Association determines that the grievance is meritorious, the Association may submit the grievance to arbitration within ten (10) days of the Board's decision. The arbitrator shall have no power or authority to add to, or subtract from or modify any terms of this Agreement, or to make any decision which requires the commission of an act prohibited by law or which violates this Agreement. The arbitrator's decision shall be final and binding upon the parties.

- a. The American Arbitration Association will be notified and requested to submit a panel of at least ten (10) names to each of the parties, who will return the list with all names which are unacceptable to it crossed off, and the remaining names numbered in order of each party's preference.

In the event that the parties fail to agree on an arbitrator from the first panel, the parties agree to request a second panel from the American Arbitration Association which shall be treated in the same manner as the first panel. Both parties must agree on a name from the second panel and both parties shall be bound by the regulations of the American Arbitration Association.

- b. The cost of the arbitrator will be borne equally by the Board of Education and the Association. Cost of stenographic record and/or witness shall be borne by the party requesting the same.

5. Election of Forum

- a. If a grievance is submitted to arbitration, such submission shall constitute an election of forum by the grievant and by the Association and constitutes a waiver and a bar to any and all rights the grievant or the Association has or may have to submit the subject matter of the grievance for resolution of review to any judicial or other administrative forum.
- b. If a unit member or the Association submits an issue to any judicial or administrative forum for resolution and review of an issue which might also constitute an alleged violation of the Agreement, then both the unit member and the Association waive their right to submit said issue to arbitration.

E. Discipline/Discharge

- 1. The purpose of this section is to serve as a complete replacement for the procedures and substantive rights which are, or may be, afforded to unit members by Sections 75 and 76 of the New York State Civil Service Law, including any amendment of, or replacement for, such sections. Therefore, unit members may not invoke, use, or rely upon any right which may be provided in either section of Law. The sole recourse which unit members shall have, with respect to any discipline, including dismissal, which they

believe to be for arbitrary and capricious reasons, shall be to the Grievance Procedure set forth in this agreement. The Association will bear the burden of proof to a clear and convincing standard.

2. Unit members who have completed at least one year of service with the District, (beginning with the first day of work and not counting any period of absence of five (5) or more consecutive unpaid work days) shall not be disciplined or dismissed for arbitrary and capricious reasons. The following are not "discipline" within the meaning of this paragraph:
 - a. ORAL: Warnings, reprimands, statements or evaluations adverse to the unit member.
 - b. WRITTEN: Warnings, (as distinct from reprimands) statements, or evaluations adverse to the employee.
 - c. DENIAL OF PAY OR LEAVE CREDITS: Unless such denial is set forth in a statement of discipline as provided below.
3. When discipline, including dismissal, is to be imposed on a unit member, a written statement must be issued which clearly describes the impending discipline along with a brief statement of the reasons therefore. Copies of this statement of discipline must be given to the unit member, the Association and the Superintendent.
4. If suspension of ten (10) days or less is imposed the unit member shall have the right to grieve under this section.
5. If either dismissal or a suspension without pay of more than ten (10) days is to be imposed, the written statement of discipline must include notice of a grievance meeting, to be held before the Superintendent or his designee. The hearing will be scheduled on a date not later than the fifth (5th) work day after the statement is given to the unit member. The hearing will be held only if the unit member does, in fact, submit a grievance, prior to the scheduled hearing, claiming a violation of this Agreement section.
6. Unit members who are to be formally reprimanded, or otherwise disciplined, shall be entitled to have an Association representative present, if so requested, and such reprimand or discipline shall be administered in private.

IV. LIFE INSURANCE/LONG-TERM DISABILITY INSURANCE

A. Life Insurance

A \$50,000 term life insurance policy will be provided for all unit members who work a minimum of twenty (20) hours per week.

B. Long-Term Disability Insurance

The District will provide to all members a first Unum long term disability plan based upon a 90 day exclusion period, and paying sixty percent (60%) of salary (up to \$5,000 maximum) per month until age 65 - ADEA 1.

V. HEALTH INSURANCE

All bargaining unit members shall have the option to purchase, at their own expense, any health insurance and/or rider coverage offered by the District to other bargaining units.

VI. LEAVES

A. Leave of Absence without Pay For All Unit Members.

1. The Board of Education may grant a leave of absence without pay for a period of up to two (2) years to members of the unit, for such reasons as childbearing/child rearing.
2. The Board of Education may grant an unpaid personal leave of up to six (6) months. Leaves of absence may not be consecutive with other leave provisions of this contract. Applications for such leaves will be submitted in writing to the Superintendent at least two (2) months in advance of the date when the leave is to begin, unless exceptional circumstances are present.
3. Any grievance concerning a leave of absence or unpaid personal leave is specifically excluded from the arbitration provisions of this contract.

B. Personal/Sick/Bereavement Leave

1. Personal

Each employee shall be granted three (3) days of personal leave for personal business. Such leave granted shall be in addition to sick

leave, and the granting of such days may not be unreasonably withheld. Personal leave shall be granted in situations that require an individual's personal attention and cannot be accomplished on other than work time. Personal days are not for recreational purposes, to extend a vacation, or second-front occupations. No reason must be given when these days are requested. Prior approval by the appropriate administrative supervisor, except in the case of emergencies, is required. Written requests will be submitted to the appropriate administrator for approval at least three (3) school days prior to the day needed. If a bargaining unit member has used all three (3) personal days and a situation arises where he requires additional personal days, he may submit a written request to the Superintendent specifying a reason the additional personal time is needed. The Superintendent shall be guided by the concept that the nature of the circumstances must justify the absence. Whenever a bargaining unit member is asked by the District to act as a chaperone, coach or advisor during his/her regular workday to supervise students at school-related events he/she shall be paid their regular rate of pay up to a maximum of three (3) days. This time will not be deducted from their personal, sick or vacation day benefits. Athletic events will be considered per season. All personal day forms being sent through the inter-school mail system shall be placed in a sealed envelope to reserve the confidentiality of the unit member.

2. Bereavement Leave

Employees shall be granted three (3) bereavement leave days with pay for death of a member of the employee's immediate family or family of spouse. Such bereavement days shall be deducted from personal leave pursuant to Paragraph 1., Personal Leave above. Immediate family or immediate family of spouse shall be defined as husband, wife, grandparents, child, sister, brother, father, mother, grandchild, brother-in-law, sister-in-law, son-in-law, daughter-in-law and any other member of the family if living in the same household. In the event additional days are needed for bereavement leave, they shall be requested and shall be granted in accordance with the provisions of Paragraph 1., Personal Leave as stated above.

3. Sick

- a. All unit members shall be granted ten (10) days sick leave per year, accumulative to one hundred eighty (180) days. Sick leave days may be used for personal illness, injury or

quarantine or to attend medical or dental appointments. Such sick leave days shall be used in either one-half or one whole day increments.

- b. For all illnesses in the immediate family, the unit member may use up to the maximum number of sick leave days standing to his/her credit. Immediate family is defined as; spouse or partner, children, parents, grandparents, or any other family member who resides in the employee's household.
- c. Any unit member who fails to call in sick will receive no pay for the time he is absent.
- d. After three (3) days absence due to illness, a doctor's certificate may be required.
- e. New employees for the first year of employment will have their sick days prorated at a rate of one sick day per month worked.
- f. All members of the CSEA may contribute up to 10 days a year to a seriously ill employee; these contributions are strictly voluntary and will reduce the number of sick days, which the contributing employee has for his or her own use. The employees who are eligible for these contributions are all CSEA employees. Serious illness will be defined as a medical assurance of inability to perform the assigned work duties which are expected of the employee in question. This will require, in all instances, a doctor's excuse, which determines the length of time that the person will be off work. When an employee anticipates the need for sick leave contributions from fellow employees, they shall so notify the Unit President who will send out a memo to CSEA members requesting donations and the date those donations should be designated. Thereafter, the CSEA Unit President will notify the Business Office of the name(s) of each employee(s) making a donation and the number of days donated. The Business Office will then make the appropriate deduction from each contributing employee's sick leave balance.

It is understood that in all matters relating to a sick leave donation program, the school district will be held harmless of any liability; further, it is understood that any actions taken regarding the sick leave donation program by any

individual or individuals shall not constitute a past practice and shall not be subject to the grievance procedure.

C. Resignations

The District and the Association agree that when unit members resign it requires adequate time to conduct a fair and equitable process to hire a replacement. Therefore, all unit members who resign will give the District thirty (30) days notice before being released from their assigned duties. The Superintendent may reduce this thirty (30) day requirement if in his opinion the services of an effective replacement can be hired in less than thirty (30) days. This decision shall be at the sole discretion of the Superintendent.

D. Family Medical Leave Act

Employees covered by this Agreement shall be entitled to the benefits, provisions and protections of the Family Medical Leave Act.

VII. MONETARY

A. MILEAGE ALLOWANCE

Mileage allowance for use of personal cars on official school business will be the same as the Board of Education approved District rate, which is set by the Internal Revenue Service. B. SALARY

1. 2009-2010 Effective July 1, 2009 the hourly rate of each employee in effect on June 30, 2009 shall be increased by forty-five cents (\$.45) per hour. 4. Minimum entry rates will be the minimum wage as established by the State and/or Federal government for all new employees, within bargaining unit job titles, for the life of this agreement.
5. In the event the minimum wage is raised by the New York State and/or Federal government, the parties agree to reopen the contract to negotiate a proportionate increase in bargaining unit hourly rates.
6. All employees shall be paid on a biweekly basis, receiving their salary in twenty-one (21) paychecks.

The unit member will be provided a copy of any addition to this file and shall be given an opportunity to make written comments concerning such materials within five (5) business days of receipt of such materials. If the option for such written response is exercised by the unit member, then such written response will be added to, and become a part of the official personnel file.

2. All bargaining unit members shall acquire seniority for the purpose of layoffs, reduction in hours and recall from layoff starting from the initial date of Board appointment to a permanent position covered by this Agreement. Substitute employees do not acquire seniority.
3. In the event two employees are appointed at the same Board meeting, seniority shall be determined by the chronological sequence of appointment at the Board meeting.
4. Continuous service shall be defined as: (a) those periods when the employee is on the District's payroll; (b) those periods when the employee is on an approved leave of absence whether paid or unpaid; (c) those periods when an employee is absent from and unable to perform the duties of his/her position by reason of a disability resulting from occupational injury or disease.
5. Seniority shall end when an employee resigns retires or is discharged pursuant to the Discipline/Discharge provision of this Agreement.
6. An employee who is laid off shall not accrue any additional time while they are on the preferred employment list (PEL), but rather their seniority shall be frozen at the time of layoff.

B. Layoff for Competitive Unit Members

Layoffs for all titles in the competitive class shall be accomplished in accordance with the provisions of the Civil Service Law, Rules and Regulations.

C. Layoff/Reduction in Hours for Non-competitive and Labor Class Unit Members

2. The District shall first post a notice and include the notice in each employee's paycheck that there will be a layoff. Such notice shall include the title(s) to be affected by the layoff, and the number of positions to be laid off. The District will ask for the employees in the title(s) to be affected by the layoff to respond to the notice, if they are interested, to determine if there are volunteers who are willing to be laid off or have their hours reduced. If employees volunteer for such layoff or reduction in hours, that shall be accomplished before employees are involuntarily laid off or have their hours reduced as described below. Employees who volunteer for a layoff or reduction of hours shall have the same rights as employees who were involuntarily laid off or who had their hours reduced.
3. Layoffs or reduction in hours in the title(s) identified for layoff or reduction in hours shall be based on inverse seniority (last in, first out) until the number of positions that are to be eliminated or hours reduced has been reached.
4. Any employee in the non-competitive or labor class who is laid off or whose hours are reduced shall have the right to retreat to any position for which they meet the minimum qualification, so long as the person they displace has less seniority. Laid off employees may not displace into position that are promotional (in salary and/or responsibility) or which requires special certifications and/or licenses, i.e. lifeguard.
5. Where there is more than one position being laid off or hours reduced, and where more than one employee is displacing to a position held on a permanent basis; among those displacing employees, the more senior bargaining unit member(s) being laid off shall have the first choice among all available positions, and so on until all displacement has been accomplished. In all cases the displacing employee must have seniority over the employee being displaced.
6. Employees who elect not to displace into a different title other than the position from which they are being laid off, or who are not qualified for any other position and who are ultimately laid off,

shall be placed on a preferred employment list (PEL) for a period of four (4) years.

D. Recall from the Preferred Employment List and Return From Layoff

1. The recall list shall be established on the basis of seniority with the most senior employee at the top of the recall list and then in descending order of seniority.
2. Recall from the preferred employment list (PEL) shall be in the inverse order of layoff, (last laid off, first to return).
3. Employees on the preferred employment list (PEL) can be canvassed for vacancies in titles other than the title from which they were laid off. However, refusal to take a position in a different title shall not disqualify them from being on the preferred employment list (PEL).
4. Employees who are recalled from layoff to a position normally covered by the bargaining unit shall be paid at the hourly rate of pay they received at the time of layoff plus any negotiated pay increases that have been negotiated during the time of their layoff. Also, any unused sick leave accrued prior to layoff shall be returned to them.
5. Upon recall to employment, seniority shall again be accrued and added to the seniority that was frozen at the time of layoff.
